ICO Member Symposia at the WOC2014
Association for Research in Vision and Ophthalmology (ARVO)

More than 40 International Council of Ophthalmology (ICO) Member societies are developing symposia for the WOC2014. As the countdown to the WOC2014 progresses, the ICO will be highlighting Member symposia.

Association for Research in Vision and Ophthalmology (ARVO) Symposium:
How To Succeed In Scientific Article Publication

This workshop is an overview of how to construct the perfect scientific article, on meeting an editor’s expectations, and on the peer review process.
