Conference for Ophthalmic Educators: Improving Teaching Effectiveness

2:00–5:30 p.m. on October 18, 2014 during AAO2014

Co-Sponsored by:
International Council of Ophthalmology (ICO)
American Academy of Ophthalmology (AAO)
European Society of Ophthalmology (SOE)

The Conference for Ophthalmic Educators offers expert instruction, interactive workshops, and group discussion for ophthalmic educators. Educators of ophthalmology residents, fellows, medical students, CME, and allied health will learn about the latest tools and practice techniques of modern education.

Whether you are a resident, or have taught for a long time, these sessions will help you improve your teaching effectiveness and provide an opportunity to connect with other educators from around the world.

Past conferences have been held in Argentina, South Korea, India, Brazil, Denmark, and Australia. This conference is co-sponsored by the International Council of Ophthalmology, the American Academy of Ophthalmology and the European Society of Ophthalmology.

- Keep updated on program developments and provide input: www.formstack.com/forms/ICO-ConfEdsChicago2014

Who Should Attend?

- Residency program directors and faculty
- Directors and teachers of Continuing Professional Development and Continuing Medical Education
- Teachers of subspecialists, medical students, and allied eye care personnel
- Educators involved in Certification and Accreditation
- Residents and Fellows involved in training juniors
- Educators involved in New Technology for Teaching and Learning
- Ophthalmologic society leaders
- Anyone involved in any aspect of ophthalmic education

If you are able, please remember to bring your personal laptop or tablet to facilitate your learning experience.
Conference for Ophthalmic Educators: Improving Teaching Effectiveness

Organizers: Gabriela Palis, MD, Chair; Karl Golnik, MD, Eduardo Mayorga, MD

Co-Sponsor and Regional Steering Committee Members:
Jan Tjeerd de Faber, MD; Prashant Garg, MD; Andreas Lauer, MD;
Amel Ouertani, MD; Peter Quiros, MD

Purpose:
To help ophthalmic educators learn more about modern educational theory, methods and tools, and develop relationships that will enable them to enhance educational programs and ultimately raise the level of eye care.

Goals:
1. To discuss with educators about adult learning theory and teaching methods, tools and resources that will help them enhance ophthalmic education.
2. To meet identified needs of participants for information and training related to specific aspects of education (e.g. needs assessment, curriculum development, teaching techniques, evaluation, etc.).
3. To stimulate and support formation of ongoing relationships and collaboration among educators with common interests.
4. To provide input to the ICO, AAO, SOE, and other ophthalmologic societies on how they can support enhancement of ophthalmic education.

Agenda:
Your input will help inform the topics covered during the Conference.

When finalized the agenda will be available at www.icoph.org/ConfEdsChicago2014

You can review past full-day conference agendas from Brazil, Denmark, India, South Korea, Argentina, and Australia.

Supplementary courses during AAO2014:
More information will be provided as the schedule is finalized.

Updates and additional information will be available on the ICO website: http://www.icoph.org/ConfEdsChicago2014

Or submit your information to receive periodic updates: www.formstack.com/forms/ICO-ConfEdsChicago2014
