

World Ophthalmic Education Colloquium (WOEC) Sessions at WOC2016

As part of the fifth World Ophthalmic Education Colloquium (WOEC) the ICO Education Coordination Committee will present symposia and courses at the 2016 World Ophthalmology Congress (WOC), designed to attract attendees of different interests and spotlighting various aspects of ophthalmic education. Funding for this World Ophthalmic Education Colloquium is provided in part by Nidek Co., Ltd. We thank all of the [supporters](#) of the International Council of Ophthalmology's Teaching the Teachers Initiative.

The WOEC is open to all members of the ophthalmic community with the goal of helping ophthalmic educators and others enhance the training and continuing education of the ophthalmologists and other eye care personnel. It builds on the success of the Colloquia in Hong Kong (2008), Berlin (2010), Abu Dhabi (2012) and Tokyo (2014).

Colloquium Coordinators:

Rajvardhan Azad, Marko Hawlina, Daniel Kiage, Gabriela Palis, Jorge Valdez Garcia

Subspecialty Liason: Manuel Garza Leon

All sessions will be held in room Joya I. Please refer to the final program for any possible changes.

The Luncheon on February 6th is available on an invitation only basis. It will be held at the Hilton.
